DISCLOSURE NOTICE TO APPLICANTS FOR INSURANCE

This brief description of our underwriting process is designed to help you to understand how an application for insurance is handled, the type and sources of information we may collect about you, the circumstances under which we may disclose that information to others and your right to learn the nature and substance of that information upon written request. Your medical history and current physical condition, which is obtained from various sources, are factors, which are considered in determining your insurability.

Sources of Information:
Your application, including the medical history, is a primary source of information in the evaluation process. We may also ask for a report from your doctor, hospital, pharmacy, or another insurance company. When we do so, we use the authorization form you sign with your application. It is sometimes necessary that we ask you to take a physical examination or other special tests such as an electrocardiogram and/or blood test.

Disclosure to Others:
Personal information obtained about you during the underwriting process is confidential and will not be disclosed to other persons or organizations without your written authorization except to the extent necessary for the conduct of our business. Examples of situations where we share information about you are as follows:

1. The agent may retain a copy of your application. If reinsurance is required, the reinsurance company would have access to our application file.
2. We may release information to another life insurance company to whom you have applied for life or health insurance or to whom you have submitted a claim for benefits, if you have authorized them to obtain this information.
3. We would disclose information to government regulatory officials, law enforcement authorities and others where required by law.

Disclosure to You:
If an adverse underwriting decision is made, we will notify you of the reason(s) for that decision and the source of the information upon which our action is based. Medical record information, however, will be given only to a licensed physician of your choice.

Symetra Life Insurance Company respects your right to the privacy of your personal information. This notice is provided to you to help you understand that information, which is obtained, is treated in a confidential manner. You have a right of access and correction with respect to all personal information collected. Upon written request, we will provide you with a more detailed description of our information practices and your rights of access and correction.
